## PROFILE

---

Bachelor of Computing Systems graduate, with more than four and half years of experience in the commercial cleaning industry as a Franchisee Director. Through my time, I learnt the importance of being diligent, consistent and patient to meet customers' satisfaction and the way to contribute myself to the success of organisations. Having completed my degree, I am keen to start the next phase of my journey as a front-end developer.

## KEY SKILLS

---

- Experienced HTML5, CSS3, JavaScript, TypeScript, React.js, Redux.js, Node.js, Express.js, MongoDB, Python, Django, Java to create websites, web and mobile applications
- Experienced working in a team with a deadline every day
- Effective and critical thinking to utilise the resources
- Passionate about learning new things to keep myself updated
- Be able to speak two more languages (English, Korean and Japanese)

## EDUCATION

---

**Bachelor of Computing Systems,**  
*Unitec Institute of Technology* 

2017 – July 2022

## WORK EXPERIENCE

---

**Franchisee Director, Jet Cleaning Services** 

December 2017 – June 2022

Auckland, New Zealand

- Managed 24/7 cleaning for more than five commercial restaurants located in Viaduct Harbour and Britomart
- Managed and employed more than 20 employees during the time

## LANGUAGES

---
